

# XAVIER LEWIS MILLER

[XLMILLER@email.sc.edu](mailto:XLMILLER@email.sc.edu)

---

**NARRATIVE** I am a college freshman looking for part-time employment to help fund my college endeavors. I am reliable, and I have my own personal transportation. My favorite activities are gaming, hanging out with friends, volunteering, art, weightlifting, and watching movies. I major in the field of Computer Science because I like working with computers and technology.

---
